This Splintered Silence by Kayla Olson This Splintered Silence is the kind of book that hooks you and makes you unsure of everything you ever thought. We really get into the head of our main character, Lindley, as everything sort of falls apart around her. Part of what This Splintered Silence excels at is making you wary and fearful. This Splintered Silence Hardcover - amazon.com A gorgeously written, tautly plotted thriller. I inhaled this book and relished the twists and turns it took. I love the way This Splintered Silence weaves science, technology, grief, panic, and the nuance of human relationship into a tightly woven web--and an ending I never saw coming. ~This Splintered Silence~™ is Incomplete Despite Being ... Kayla Olson~™s second book This Splintered Silence invites us onboard the Lusca, an exploratory space station that houses Earth~™s top scientists and their families as they work to terraform the.
